SUMMARY:

English:

The Departament d'Ensenyament organize, in April 2018, in the framework of the Erasmus + 2016-1-IT01-KA116-005050 project Sportello Europa: The transnational mobility for the internationalization of competences, coordinated by the Scuola Centrale de Formazione, visits for Italian teachers in the vocational fields of the automotive industry, graphic arts and personal image representing the following centers and associations: Calasanzio, Cefal, Salotto and Fiorito, Irpea, Asfap, Artigianelli Trento, Casa Del Giovane, San Luigi, Pavoni and Montagnana.

The objective of the activities and visits is to inform about the development strategies of the DUAL training, the flexibility measures, the accreditation of competences and the academic-professional orientation in vocational training centers of Catalonia (Institut Salvador Seguí, Institut La Guineueta and Institut Esteve Terradas and Illa), as well as the operation of DUAL training in the company NISSAN Motor Ibérica.
